

112/64-68 Derby Street Kingswood NSW

This could well be the most affordable opportunity to secure your medical rooms anywhere on the market today.

In poor to average condition aesthetically the bones of this oversize suite are excellent.

The previous doctors designed the layout with up to 5 consulting rooms, all with sinks, a waiting room, staff room & boardroom.

The carpet & paint desperately need a redo however this will be reflected in the sale price.

Zoned MU1 Mixed Use, under Penrith City Council, the suite could suit a wide range of uses adding extra opportunities for investors & owner occupiers alike.

Price : \$599,000 - \$649,000
